The 6th Annual
Global Healthcare Conference
Friday, May 17, 2019

BROUGHT TO YOU BY

Connecticut Children's Medical Center's Center for Global Health
and the Department of Pediatrics at the UConn School of Medicine

Present your experience in a global healthcare activity with your colleagues from around the region. This conference provides an opportunity to share our commitment to improving healthcare for children in resource-limited settings through sustainable, collaborative, capacity-building endeavors. Please consider completing an application to present at the conference.

For an application, please contact:
