

CME.CONNECTICUTCHILDRENS.ORG

Connecticut Children's Continuing Medical Education website allows users to print their CME certificates and track non-Connecticut Children's CME credits.

The screenshot shows the website's header with the logo and tagline "Giving children the care they deserve." Navigation links include "HOME", "OUR PROGRAMS", "FOR PARTICIPANTS", "FOR PRESENTERS", "CALENDAR", "MAINTENANCE OF CERTIFICATION", "REPORTS", "NEWS LETTER", and "RELATED LINKS". A search bar and "GO" button are present, along with "Register | Login" and "Contact Us | Help" links.

The main content area features a "Care Providers" section with a photograph of a speaker at a podium. The text lists two providers:

<p>Rebecca Beebe, PhD Research Scientist, Injury Prevention Center Training Consultant, Domestic Violence Professional Education and Consultation Project</p>	<p>Susie DiVietro, PhD Research Scientist Injury Prevention Center Training Consultant, Domestic Violence Professional Education and Consultation Project</p>
---	---

Logos for Connecticut Children's Medical Center, Hartford Hospital, and Saint Francis Hospital are visible. Below the image, there is a section titled "View Live and Archived Presentations" with a note about downloading Microsoft Silverlight and Windows Media players. Two buttons, "View Live Stream" and "Podcasts", are provided.

HOW TO PRINT CME CERTIFICATES:

1. Login to your account
2. Click on "My Activities"
3. Click on "My Certificates" and choose the individual certificate you want **–OR–** Click on "Year End Certificates" which provides your total credits and a list of the state mandated presentations you attended

HOW TO ADD OUTSIDE CME CREDITS:

1. Login to your account
2. Under "Manage Account"
3. Click on "My Non-CCMC Credits"
4. Click on "Add Non-CCMC Credit"
5. Enter the CME activity information
6. Click on "Save"
